

Sarena Langford

When did you join the creche at Horizon?

September 2000

What Qualifications do you have?

Child care level 2, Paediatric First Aid, IHASCO

What are your hobbies/interests out of work?

I have two children & 8 nieces and nephews. My son has autism so I don't get a lot of time to myself as he needs a lot of my attention, but if I do manage to get half an hour I enjoy baking yummy cakes and I like gardening. I love pretty flowers growing and enjoy watching my nieces having fun finding the secret fairies I have hidden.

Why do you like working in the creche?

I love the relationship we have with our parents helping them to make it a bit easier and less stressful leaving their young children having lots of fun in the creche, watching them grow from birth until going off to school. We have a lovely team working in the creche and enjoy our team bonding days going out having fun with our families together.

Tell us an interesting fact about yourself

In my younger days I performed in dancing shows at the Royal Albert Hall and the kings theatre. From the age of 11 until 16 I was in 2nd Leigh Park girls brigade marching band playing the bugle and drums.
