COMMUNITY INCLUSION OFFICER - JULIET BOWSKILL

**When we arrive at
Horizon Leisure
Centre, we will need
to register for our
session and collect
our Sensory Borrow
Bag from Reception.**

**We will then walk to
the Hall / Studio and
our THRIVE Coach
will be waiting for us.**

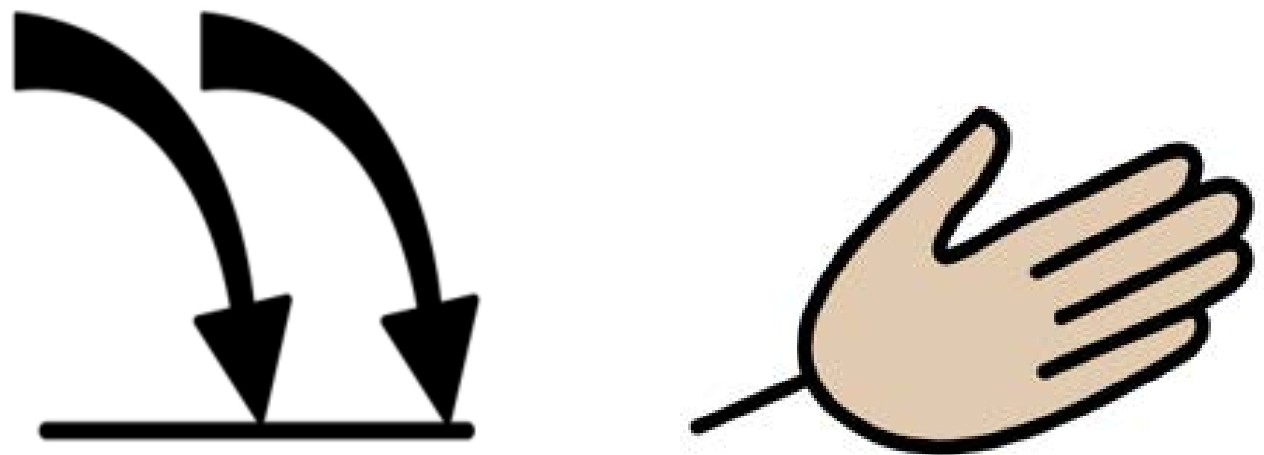

**We will sit down, and the
THRIVE Coach will say
'Hello'.**

**Next they will put out our
boundary with cones /
markers.**

**Also, where our
'Safe Space' is for a
drink/rest**

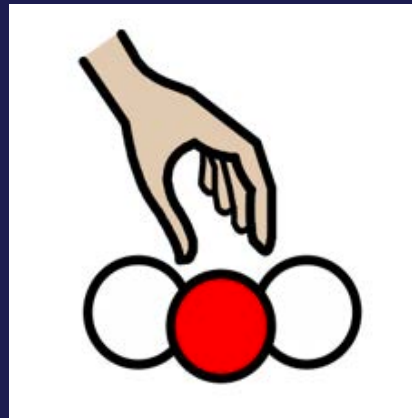

**Next, the THRIVE
coach will
show and tell a
warm up and we
will have a go.**

**You must keep safe
by listening to adults
at all times.**

**You will have lots of
fun with the THRIVE
Coaches!**

A stick figure is shown from the side, leaning forward and placing a small red toy car into a large blue bin. The bin is already filled with several colorful geometric shapes: a green triangle, a yellow triangle, and a red semi-circle. The background is a solid dark blue.

**The THRIVE coaches
will ask you questions
at the end.**

**What did you enjoy the
most?**

**What will you practice
for next week?**

**We will then walk back
out of the Leisure
Centre and get ready
to go home**
