## Step 2: Create or log into your account

- You'll be asked to register or log in to your HomePortal account
- Make sure you enter the swimmer's details (not the parent/guardian)

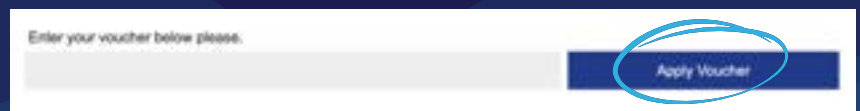

## Step 3: Choose your membership

- Select the swimmer
- Choose the correct payment plan (monthly Direct Debit)

## Step 4: Apply your offer code

- At checkout, enter your offer code in the voucher box
- Click apply to make sure the discount is added before continuing

## Step 5: Complete your booking

- Set up your Direct Debit details
- Pay the initial pro-rata amount
- Confirm your booking

## Helpful Tips When Booking

- Filter lessons by day using the options on the left-hand side
- Filter by stage by selecting 'Weekly Lessons', choosing your preferred framework, and then the appropriate level
- Please note that lesson start dates cannot be delayed
- You can use your HomePortal account to view waiting list entries, check live progress updates, and move up stages when eligible

Please note: If you are enrolling multiple swimmers, each booking must be completed individually. After your first booking, you can log into your HomePortal account, add another member, and proceed with an additional booking.

A member of the team will give you a call, just in-case you have any questions or need any support with booking.
